

Unione Cattolica Italiana
Insegnanti, Dirigenti, Educatori, Formatori

Lifelong
Learning
Programme

**UCIIM is an Italian Catholic Union
of Teachers, School Managers,
Educators, Trainers**

UCIIM

- ❖ It is a professional association of Catholic teachers, administrators, inspectors, educators and trainers of the school and vocational training.
- ❖ It promotes also lifelong learning.
- ❖ It operates both for public and private schools.

THE ASSOCIATION

- ❖ is non-profit
- ❖ is non-partisan
- ❖ is independent in its government
- ❖ works freely within the framework of professional activities

THE FOUNDER

- ❖ Gesualdo Nosengo was a teacher, a great humanist and layman.
- ❖ He founded the association in 1944.
- ❖ He dedicated his life to the Italian school and believed that school and democracy are the backbone of the development of a country.

THE FULCRUM OF NOSENGO'S EDUCATION SYSTEM

1. Teaching is not a profession, but a mission. Indeed it is one of the noblest missions because it forms the human person.
2. There cannot be complete formation of the human personality if there is no religious training.

MISSION of UCIIM

- ❖ THE ASSOCIATION PROMOTES AND IMPLEMENTS:
 1. the spiritual, moral and professional development of its members in relation to their specific educational mission;
 2. the principles and methods in accordance with the Christian thought and morality about the students' education, the school system and the school laws;
 3. cultural and professional updating of the educational staff;
 4. training projects;
 5. the education and training of citizens through specific initiatives (lifelong learning perspective) (Article 3 of the Statute).

GENERAL ACTIVITIES

- ❖ Preparation of proposals and initiatives in order to help the school reform
- ❖ Contribution to the drafting of the school programs
- ❖ Development of the training of teachers and managers through various publications, hundreds of courses, and national, regional, provincial conferences also in collaboration with other professional associations.

IT ADHERES

- ❖ to the Consulta of the school pastoral of the CEI (Italian Episcopal Conference)
- ❖ to the CNAL (National Council of Laymen)
- ❖ to other cooperation initiatives even at an international level

By its nature as a professional association of teachers, it is committed to giving its assistance to the Christian forces which work for the promotion of employment and culture (Article 4 of the Statute).

DATA

- ❖ widespread throughout the country
- ❖ headquarters in Rome
- ❖ divided into 169 branches, provinces and regions:
 1. 4,834 members in Italy
 2. Sicily has 1,583 members in 35 branches

Rome: headquarters

OUR ROLE IN THE PROJECT

Preparing pedagogical guidelines
and training methodology for the
workshops

Possible steps

1. Pedagogical guidelines about workshop methodology
2. Guidelines about Project work:
 - a) its pedagogical and methodological advantages
 - b) how to plan (from needs analysis to final evaluation)
3. Guidelines about digital storytelling
